There should clearly be an accepted division of responsibilities at the head of the Company, which will ensure a balance of power and authority such that no one individual has unfettered powers of decision. The division of responsibilities is to be regularly reviewed taking into consideration the operational, financial and business development aspects of the Company to ensure the Company's needs are consistently met.

Where the Board appoints a committee, it should spell out the authority of the committee and in particular whether the committee has the authority to act on behalf of the Board or simply has the authority to examine a particular issue and report back to the Board with a recommendation which is subject to the Board's approval.

3.5. Board Meetings

The Board holds its Board meetings quarterly and additional meetings are convened as and when necessary as determined by the Chairman.

At the end of each calendar year, the Company Secretaries would draw up a proposed timetable for all the Board and Committee meetings, including the annual general meeting, to be held in the next calendar year, to ease the Directors in planning their attendances at the Board/Committee meetings. The Company Secretary should ensure that notice to convene a Board meeting is to be served not less than seven (7) days before the meeting. A Board meeting however, may be convened by a shorter notice than seven (7) days provided that the issue to be deliberated is a matter of urgency.

Prior to the Board/Committee meetings, the Directors are provided with an agenda on matters to be discussed together with the meeting papers which contain minutes of meetings, operational and financial performance reports, details of corporate proposals, the quarterly Interim Financial Reports or the annual Audited Financial Statements, reports of the Board Committees, Internal Audit Reports and other matters for the Directors' perusal before the Board/Committee meetings.

Upon conclusion of the meeting, the minutes are circulated in a timely manner.

The Board ensures that the minutes of meetings accurately reflect the deliberations and decisions of the board, including whether any director abstained from voting or deliberating on a particular matter. The Company Secretaries would ensure that the minutes were kept to record all proceedings at the Board/Committee meetings, the deliberations on the matters at hand and the decisions made thereto.

Senior management staff or professional advisers appointed by the Company to advise the Company on its corporate proposals are invited to attend the Board meetings and to provide the Board with explanation and clarifications to facilitate the Board in making an informed decision.

The decisions of the Board are decided by a simple majority of votes of the Directors present at the Board meetings. In the event of an equality of votes, the Chairman shall have a second or casting vote except where only two (2) Directors are present or only two (2) Directors are competent to vote on the question at issue. In the event there are personal interests/conflict of interests in respect of any matter, the Director concerned must declare his/her interests and the Director involved is to excuse himself from the discussion and the meeting and abstain from voting on the matter.

The Constitution/Articles of Association also provide that at least one-third (1/3) of the Board members who have served the longest in office since their last election, shall be subject to retirement by rotation every year and that each Director shall retire at least once in every three (3) years but he shall be eligible for re-election at the annual general meeting. The EVC and Managing Director of the Company (if any) is also subject to retirement at least once every three (3) years and he shall be eligible for re-election at the annual general meeting. In the event of any vacancy in the Board, resulting in non-compliance with the Listing Requirements and/or the MCGG 2017, the vacancy must be filled within three (3) months, from the date of non-compliance.

The motions to re-elect Directors is voted on individually unless a resolution for the re-election of two (2) or more Directors by a single resolution shall have been passed by the annual general meeting without any vote against it.

3.7. Familiarisation with Business and On-Going Training

New members of the Board are provided with background material and are offered management briefings on strategic and other issues affecting the Company and the Group. Directors are expected to acquire and maintain sufficiently detailed knowledge of the Company's and the Group's business and their on-going performance to enable the Board to make informed decisions on the issues before the Board.

Directors are encouraged to undertake appropriate course and training at the Company's expense so as to ensure that they are able to perform their duties as Directors of the Company to the best possible standards.

3.8. Tenure of Independent Directors

The Board had adopted the criteria set out under the definitions of "independent director" in the Listing Requirements to assess independence of directors.

From the date the Independent Directors were appointed, they had provided an undertaking to Bursa Securities confirming and declaring that they are independent directors as defined under Rule 1.01 of the Listing Requirements.

The Board is of the view that the length of service of the Independent Directors should not affect a directors' independence but rather the important criteria that must be possessed by the Independent Directors are their independence from management and they are free from any business and other relationship which could interfere with the exercise of independent judgement or the ability to act in the best interest of the Company.

Notwithstanding the above, the Board noted recommendation of Practice 4.2 and 4.3 of MCCG 2017 that the tenure of an Independent Director should not exceed a cumulative term of nine (9) years. After a cumulative term of 9 years, an Independent Director may continue to serve on the Board as a Non-Independent Director. If the Board intends to retain an Independent Director beyond 9 years, it should provide justification and seek annual shareholders' approval.

The Board has decided not to adopt the 2-tier voting process for the approval to retain Independent Directors who have served for more than 12th years in the Company.

The Board has received legal opinion that the 2-tier voting may not be compatible with the Company's Constitution/Articles of Association read together with the Companies Act 2016. As such, the Board has chosen not to adopt the 2-tier voting as a precautionary measure.

4. ACCESS TO INFORMATION AND ADVICE

All Directors have unrestricted access to information of the Company and the Group and on an on-going basis, the Directors interact with the management team to seek further information, updates or explanation on any aspect of the Group's operations or businesses. The Directors have access to the advice and services of the Company Secretaries and may engage independent professional advice on any matters connected with the discharge of their responsibilities as they may deem necessary and appropriate at the Company's expense.
